

KRAIBURG **TPE**
CUSTOM-ENGINEERED TPE AND MORE

COPEC[®]

TPE with sebum resistance
and silky surface

Advantages at a glance

- Exceptional resistance to sebum, sun cream, olive oil, and cleaning agents
- 60 to 80 Shore A
- Processing by multi-component injection molding:
 - » Excellent adhesion to engineering thermoplastics such as ABS and PC
- Various coloring options available in-house
- Excellent mechanical properties
- Low-temperature elasticity down to -40 °C
- Thermal stability up to 100 °C
- Excellent UV, ozone, and weather resistance
- No use of latex, PVC or phthalates
- Free from heavy metals
- Recyclable
- Well established in consumer electronic applications such as mobile phones, computer mice, and controllers
